riverside trees

- ☛ indigenous trees of distinction
- ☛ range of landscaping plants
- ☛ fully acclimatised to the vaal region
- ☛ delivery service available

We are situated on the banks of the Vaal river where we specialise in growing exceptional indigenous and exotic trees.

varieties available:

Acacia Karoo
Combretum Erythrophyllum
Celtis Africana
Olea Africana
Rhus Lancea
Ziziphus Mucronata
Salix Mucronata
Populus Simonii

We also grow a selection of ground covers and ornamental grasses, day lilies, irises and louisiana irises.
